DISTRICT HOSPITAL, TUMKUR.

TENDER NOTICE.

Notice is hereby given that sealed tenders, in triplicate, on half sheet foolscap paper, will be received at the Office of the District Medical Officer, Tumkur, by the District Medical Officer, at 11 A.M., on Saturday the 7th November 1925, for the supply of all articles of diet, etc., and bedding and clothing (as per lists annexed) required for the District Hospital, Tumkur, from 1st January 1926 to 31st December 1926 inclusive.

2. No tenders will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions" and "Tender for the supply of bedding and clothing" to the District Hospital, Tumkur.

4. No tenders will be received unless accompanied by a deposit of Rs. 50 in cash, or currency notes or Treasury receipts.

5. Tenders will be opened by the District Medical Officer in charge at his office on the date and at the hour above mentioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the article as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount Rs. 50), within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor: payments for the articles supplied in each month will be made, as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor, in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles, such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 7 A.M., and 5 P.M. every day. All articles, except when mentioned otherwise, should be of the 1st sort, and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sub-let.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon, who will have powers to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

16. Separate tenders will be received for the supply of articles of bedding and clothing in which case, a sum of Rs. 50 should be deposited in the manner laid down in para 4 above.

List of diet and other articles with probable quantities required for one year from 1st January 1926 to 31st December 1926.

Articles		Probable quantity
